

# SEDAR® Subscriber Update

October 3, 2011

## SEDAR Windows 7 64-bit Support

In response to SEDAR subscriber requests, CDS and the Canadian Securities Administrators have developed and will make available a 64-bit version of Windows 7 Professional software package as of October 3, 2011.

Refer to our website [http://www.sedar.com/sedar/sedar\\_release\\_en.html](http://www.sedar.com/sedar/sedar_release_en.html) for:

- an updated list of minimum hardware and software requirements for Windows 7 available in our *Installation Guide*
- a link to the *Windows 7 64bit Installation Screen Shots* that provides screenshots of the download procedure
- the *SEDAR R8.0 Installation for Windows 7 64bit users* download package

In order to download the SEDAR Windows 7 64bit package, you will require a Login and Password. This information will be provided to the Principal Contact for each subscriber by calling our Technical Services Desk and providing your subscriber's PIN.

Thank you to the subscribers who participated in our Beta test to help us ensure this Windows 7 installation package worked seamlessly with your existing in-house desktop and software applications.
