

SEDAR® Subscriber Update

June 28, 2011

SEDAR - Windows 7 64 bit support

Over the past few months, CDS and the Canadian Securities Administrators have tested a SEDAR 64-bit version of Windows 7 Professional software package.

The 64 bit version of SEDAR will be available as of June 28, 2011 to all subscribers that wish to participate in our beta testing.

This beta test is scheduled for June 28 – August 26 with the general release planned for early September.

If you are interested in participating, or require further information, please contact the CDS Technical Service Desk. Subscribers will be sent a link to the private beta page with the download userid and password upon providing your subscriber's PIN.

For more information, please contact your local SEDAR Relationship Manager or the CDS INC. Technical Services Desk at 1-800-219-5381.
