

SEDAR® Subscriber Update

April 1, 2004

SEDAR Release 007.001.016 File Version Conflict

With the implementation of Release 007.001.016, subscribers with Windows 95, Windows 98 or Windows NT 4.0 have experienced a file version conflict when trying to download the new code update.

For those subscribers who have NOT yet attempted to download the recent code update and have an operating system as noted above, please download the patch available on the web site noted below prior to running the SEDAR code update.

For those subscribers who have downloaded the recent code update and are receiving any of these error messages noted below, please download this patch and re-run the SEDAR code update to ensure all necessary SEDAR files are current.

Error Messages:

- Return code **12**- "error occurred during update client database, cleanup was aborted"
- Return code **70** or **53** - "An unrecoverable error has occurred during the code update that was unsuccessfully backed out"
- "Runtime error **429**, Active X cannot create object"

Download Patch:

Newfoundland and Labrador Fee Change

CDS would like to inform subscribers of changes to the Department of Government Services and Lands Government of Newfoundland and Labrador fee schedule description that came into effect March 30, 2004:

Annual Information Form (\$1,000)

Note:

This Annual Information Form fee pertains to both POP and Non-POP issuers. SEDAR will be updated at a later date to reflect this change. A subsequent subscriber update will advise on the scheduled code update.

For any fees payable between March 30, 2004 and the scheduled code update, filers are asked to enter the fee on the line currently in SEDAR:

Annual Information Forms filed under NI 44-101 (\$1,000)

For more information, please contact your local SEDAR Customer Service Representative or the CDS INC. Help Desk at 1-800-219-5381.
