Use of Non-alphanumeric Characters in Naming SEDAR Documents

Further to section 7.2(g), Document Naming Requirements, of the SEDAR Filer Manual, please ensure that when filing documents on the SEDAR system, document names do not contain any non-alphanumeric characters. These include but are not limited to hyphens, underscores, commas, periods, colons, semi-colons, any sort of brackets, quotation marks, exclamation marks, @, ^, *, #, ~, &, or slashes. These types of characters may interfere with the downloading of the document.
