

SEDAR® Subscriber Update

March 30, 2009

Code Update (Version 008.010.002)

A SEDAR code update is scheduled for Monday, April 6, 2009.

You are encouraged to obtain the code update as soon as possible on or after April 6, 2009 by following these procedures:

1. Start the SEDAR program;
2. Select File menu; and
3. From the File menu, select Receive items from SEDAR server.

This method will help make sure that the application is updated and ready for your use before you actually have to perform any business functions.

This code update will bring the SEDAR client application up to Version 008.010.002.

Once the code update has been downloaded, close the SEDAR program and follow the instructions below to execute the code update:

1. Click the Start button located at the bottom left corner of the screen;
2. Select Programs; and
3. From the Program menu, select SEDAR and then select Code Update.

Summary of Code Update Changes

1. AMF Fee Description Changes

Minor wording changes have been made to several AMF fee descriptions. Most of these changes were necessary following repeal of sections of the Québec Securities Act concerning documents to be filed at the time of take-over bids and issuer bids; the descriptions have been modified to refer to filings prescribed by Regulation 62-104 respecting Take-Over Bids and Issuer Bids. Changes to the AMF fees involve descriptions changes only.

2. SEDAR.com

An updated list of recipient agency fees will be available on our web site at www.sedar.com/sedar/sedar_en.htm.

3. TMP Filings

All filings that have been saved but not submitted (shown as TMP on your Filing Management screen) should be either submitted by Friday, April 3, 2009 or deleted. To delete any TMP filings, highlight the project and select File/ Remove Unsubmitted Filing(s).

4. SEDAR Environment

CDS and the Canadian Securities Administrators have reviewed the SEDAR system requirements and wish to inform subscribers that the Windows Vista Business software package will be supported as of April 6, 2009.

An updated list of minimum hardware and software requirements for Windows Vista will be available in our SEDAR Information Package on our web site www.sedar.com/sedar/becoming_a_subscriber_en.htm.

The SEDAR download package will be available on our web site http://www.sedar.com/sedar/sedar_release_en.html along with a link to the Vista Installation Guide that provides screenshots of the download procedure.

In order to download the SEDAR Vista package, you will require a Login and Password.

This information will be provided to the Principal Contact for each subscriber by calling our Technical Services Desk and providing your subscriber's PIN.

For more information, please contact your local SEDAR Relationship Manager or the CDS INC. Technical Services Desk at 1-800-219-5381.
