Summary of Code Update Changes

1. Commission Fee Description Changes

(a) Ontario Securities Commission

OSC Fee Rule 13-502 became effective March 31, 2003 to ensure that fees more accurately reflect the OSC's cost of providing service to market players. While the basic principles of the current rule and policy remain, a number of proposed changes were made to ensure consistency between the fees charged and OSC's cost of providing services. These changes become effective April 1, 2006. The changes are also intended to return the surplus collected from market participants between April 2003 and March 2006 in the form of reduced participation fees.

(b) Prince Edward Island Securities Commission

CDS would like to inform subscribers of a change to the Prince Edward Island Securities Commission fee schedule.

Line 06 currently states:

"Every 44-101 annual information form - \$500"

Line 06 will be changed to:

"Every annual information form (AIF) filed under National Instrument 51-102 by a short form prospectus issuer - \$500"

TMP Filings

All filings that have been saved but not submitted (shown as TMP on your Filing Management screen) should be either submitted by Friday, March 31, 2006 or deleted. To delete any TMP filings, highlight the project and select File/ Remove Unsubmitted Filing(s).

An updated list of all recipient agency fees will be available on our web site at www.sedar.com/sedar/sedar_en.htm.
