Summary of Code Update Changes

1. Commission Fee Description Changes

Saskatchewan Financial Services Commission

Several filing fees required by the Saskatchewan Financial Services Commission were clarified or changed effective April 1, 2010; their SEDAR fee schedule was updated with Release 8.13.1, implemented April 5, 2010.

Due to a technical problem on SEDAR, these changes were not reflected in the July 1, 2010 code update, Release 8.14.0.

Filing fees for technical reports filed under NI 43-101 and oil and gas reports filed under NI 51-101 are \$100.00 per report. This is a clarification of existing requirements.

Filing fees for annual information forms filed by an issuer are \$500.00, except for an annual information form filed under National Instrument 81-101 Mutual Fund Prospectus Disclosure, for which no fee is payable.

The fee schedule displayed on SEDAR will not reflect these changes until Monday, July 19, 2010. Issuers filing annual information forms should ignore the SEDAR fee schedule displayed for annual information forms, and apply the new fee schedule amount of \$500.00.
