## Summary of Code Update Changes

### 1. Commission Fee Description Changes

#### Adjustment to AMF fees

On January 1, 2013, the Autorité des marchés financiers (AMF) will adjust by 2.48% certain fees payable, in particular under the Securities Act.

This adjustment is related to the passage into law on June 11, 2010 of An Act to implement certain provisions of the Budget Speech of 30 March 2010, reduce the debt and return to a balanced budget in 2013-2014. This Act amends the Financial Administration Act, with the result that fees collected by the AMF will now be adjusted by operation of law on January 1 of each year.

For the new fee amounts, please consult section 1.1 of the AMF Bulletin dated December 13, 2012 (Vol. 9, N° 50), available on the AMF website at [www.lautorite.qc.ca](http://www.lautorite.qc.ca) (in French only). As of January 1, 2013, you may also refer to Chapter II of Title VI of the Securities Regulation for fees payable which is available on the AMF website, and to the SEDAR Regulatory Fee Guide, which is available on the website of the Canadian Securities Administrators.

### 2. QST

Effective January 1, 2013, taxable goods and services are subject to QST at the new rate of 9.975% (previously 9.5%).

The new QST rate will be applied to the selling price excluding GST.

For those subscribers that have "Québec" as the province indicated on their User Information screen, the new rate will be applied on all CDS INC. filing fees filed after January 1, 2013. TSXV filing fees on SEDAR will also be subject to the new rate.
