

**SEDAR® Subscriber Update**  
**March 18, 2005**

**AT&T Global Network Dialer – Idle Connections**

As a follow-up to our subscriber update of March 1, 2005 that recommended filers only connect through the AT & T Global Network Dialer when there is a need to communicate with the SEDAR server, please be advised that CDS INC. and the Canadian Securities Administrators have requested AT & T to automatically disconnect filers after fifteen minutes IDLE connection time.

To clarify, filers will not be disconnected during a submission to the SEDAR server. Filers will only be disconnected after this IDLE connection period.

**For more information, please contact your local SEDAR Customer Service Representative or the CDS INC. Help Desk at 1-800-219-5381.**
